Long Beach 90805

DID YOU KNOW?

- On peak construction days, there are more than 100 workers building new schools such as Browning High.
- Measure K Bond program expenditures are audited annually and reviewed regularly by the Citizens' Oversight Committee.
- After all \$1.2 billion of the Measure K Bond funds are spent, there will be more than \$2 billion worth of improvements needed by Long Beach Unified School district campuses.

Thousands Tour Newcomb, Roosevelt During Previews of Rebuilt Campuses

Thousands of community members toured the Long Beach Unified School District's two newest schools—Roosevelt Elementary and Newcomb Academy—before the first day of the fall semester.

KEEPING IT LOCAL

El Camino Construction Expands in Long Beach

Although it was a small job—installing a wheelchair ramp in front of Lowell Elementary School—it was a job that a small local company was happy to get. "We're hoping this will get our foot in the door for more school and municipal work," said Miguel Guajardo, president of El Camino Construction and Engineering Corp.
