

## MASTER PLAN SUBMITTAL FOR CABRILLO AQUATIC FACILITY

---

PJHM Architects and our pool consultant, Rowley International, met with the Cabrillo pool programming committee on 11/15/2010 and 10/27/2010 at the school campus. Three potential pool locations were identified for schematic planning and project feasibility. The group also discussed pool dimensions, equipment and support facilities. The following is a list of programming components identified by the committee.

### PROJECT SCOPE CABRILLO AQUATIC FACILITY

---

- 40 METER X 25 YARDS SWIMMING POOL WITH MECHANICAL SUPPORT EQUIPMENT AND BUILDING
- PERIMETER POOL DECK MINIMUM OF 20'-0" EACH SIDE
