Juan Rodriguez Cabrillo High School New Swimming Pool Facility

Architect:

PJHM Architects, Inc.
Rowley International, pool consultants

Pre-Construction Consultant:

C.W. Driver

Location:

Northeast campus
2001 Santa Fe Ave.
Long Beach, CA 90811

Construction Budget:

\$12 Million

Pool Size:

40 meters x 25 yards

Opened:

Fall 2013

OVERVIEW:

The new aquatic facility at Cabrillo High School features an outdoor pool for an expanded physical education program and competitive swimming and water polo. The pool also provides a shallow area for swim instruction, aquatic exercise and physical therapy.

A 10-foot perimeter wall encloses the facility, which also includes boys/girls showers/locker rooms, team showers/locker rooms, restrooms, showers, office spaces, ticket/concession stand, electronic scoreboard and bleachers with a 240-person capacity.
