Community Information Session

HUGHES MIDDLE SCHOOL

3846 California Avenue, Long Beach, CA 90807
562-595-0831 Phone | 562-595-9221 Fax

Neighbors, parents and other members of the school community are invited to a briefing on the existing Measure E new heating, ventilation, and air conditioning (HVAC) project for Hughes Middle School.

Measure E improvements for HVAC and related work for Hughes Middle School is scheduled to start in the summer of 2021. Additional related work includes accessibility improvements, ceiling/lighting renovations, fire alarm upgrade, and utility infrastructure upgrades.

This is possible due to voters' approval November 2016 of the \$1.5 billion school bond initiative, known as Measure E.

To learn more about how this project will affect your neighborhood and how we plan to minimize inconveniences related to parking, traffic and noise, tune in for this upcoming Information session.
