Community Meeting at Lowell Elementary School

Neighbors, parents and other members of the school community are invited to a briefing on the existing Measure E new heating, ventilation, and air conditioning (HVAC) project for Mann Elementary School.

Measure E improvements for HVAC and related work for Lowell Elementary School is scheduled to start in the summer of 2018. Additional related work includes accessibility improvements, ceiling / lighting renovations, painting and infrastructure upgrades.

This is possible due to voters' approval last November of the \$1.5 billion school bond initiative, known as Measure E.

To learn more about how this project will affect your neighborhood and how we plan to minimize inconvenience related to parking, traffic and noise, join us for this upcoming meeting.
