Community Information Session

JACKIE ROBINSON K-8 ACADEMY

2750 Pine Ave, Long Beach, CA 90806
562-492-6003 Phone | 562-492-6013 Fax

Neighbors, parents and other members of the school community are invited to a briefing on the existing Measure E new heating, ventilation, and air conditioning (HVAC) project for Jackie Robinson K-8 Academy.

Measure E improvements for HVAC and related work for Jackie Robinson K-8 Academy is scheduled to start in the summer of 2021. Additional related work includes accessibility improvements, ceiling/lighting renovations, fire alarm upgrade, and utility infrastructure upgrades.

This is possible due to voters' approval November 2016 of the \$1.5 billion school bond initiative, known as Measure E.

To learn more about how this project will affect your neighborhood and how we plan to minimize inconveniences related to parking, traffic and noise, tune in for this upcoming Information session.
