Community Information Session

TWAIN ELEMENTARY SCHOOL

5021 E. Centralia Street, Long Beach, CA 90808
(562) 421-8421 Phone | (562) 420-7654 Fax

Neighbors, parents and other members of the school community are invited to a briefing on the existing Measure E new heating, ventilation, and air conditioning (HVAC) project for Mark Twain Elementary School.

Measure E improvements for HVAC and related work for Mark Twain Elementary is scheduled to start in the summer of 2021. Additional related work includes accessibility improvements, ceiling/lighting renovations, fire alarm upgrade, and utility infrastructure upgrades.

This is possible due to voters' approval November 2016 of the $1.5 billion school bond initiative, known as Measure E.

To learn more about how this project will affect your neighborhood and how we plan to minimize inconveniences related to parking, traffic and noise, tune in for this upcoming Information session.
