

Wilson Second Community Meeting Questions & Answers June 2020

#	Question	Answer	
1	What is “Measure E”?	Measure E is the LBUSD bond that was voted on and approved in November 2016. The bond money is being used to modernize LBUSD school sites.	
2	When is the renovation starting?	Public works projects are an essential government function and will remain on schedule. Contractors were all directed to comply with social distancing protocol and have measures in place to ensure the safety of their workers and the community. Construction remains on track to start and complete per the original schedule which starts this summer. Due to the nature of this work, there are many unknown and/or unforeseen issues that could cause delays. Starting the project early gives our Contractor a head start to identifying and resolving issues before they result in difficulties with classroom usage. At this time, we are not adjusting the expected completion timeline.	
3	What is the state of the construction on campus?	Wilson will receive the following improvements in buildings 100 - 400. <ul style="list-style-type: none"> ● HVAC System Installation ● Utility Upgrades ● ADA – Accessibility Upgrades ● Fire Alarm Upgrades ● Ceiling Mounted Overhead Projectors ● Ceiling Repair ● Interior Lights ● Interior and Exterior Painting ● New Windows as Necessary ● Other State Funded Repairs 	
4	What construction project?		
5	What kind of site will you construct?		
6	What is going to happen to Wilson?		
7	When will teachers be able to pack up their classrooms?		Administrators worked with the Facilities Move Team to develop an individual schedule and plan to pack during the month of May.
8	Will construction take place during school hours?		Yes.
9	Could you please discuss how the air within classrooms/offices will be filtered	Outside air is supplied and filtered through a Merv 16 filter. Inside air is circulated and filtered through a Merv 8 filter.	

	and would there be windows to open?	There will be one operable window per classroom. Windows are not an accessible means of egress as building codes do not identify a window as an emergency exit.
10	With the new heating and cooling systems, will air be recirculating?	
11	If all our windows are permanently closed, with the exception of one window, this could potentially be a health hazard. Do you have any information?	
12	Will the student be moved to different schools?	Wilson will not be closed due to construction. The construction project is phased to allow all students to stay on campus.
13	Where will my student go to school if Wilson is closed due to construction? Do we have a choice of location?	
14	Does the construction involve adding 5G?	No.
15	Baseballs from Wilson High School have hit cars on 7th Street along with my building and several of the neighbor's buildings. Will raising the fence be part of the scope for this project?	Raising the fence is not part of the scope of work for this project.
16	I would like to know if students will have classes online?	Currently all students have online classes. Please contact your site administrator and teachers for more specifics.
17	Will students return to school in the fall & if so will it be safe for them?	Please refer to the district public information dated May 8, 2020 to your question. https://www.lbschools.net/Departments/Newsroom/article.cfm?articleID=2861
18	Will they be a graduation for our seniors this year? Will our kids get to wear caps and gowns? Will they have any type of ceremony for them to have memories of their high school graduation?	For High School graduation information: please refer to the district public information dated May 18, 2020: http://www.lbschools.net/Departments/Newsroom/article.cfm?articleID=2871
19	When will school start?	
20	When will students return to school?	
21	In September will the kids still have to homeschool?	
22	What do you do when the internet goes out in the middle of class?	Please contact your child's teacher via email with this issue.
23	How does senior photos work?	Please contact your site administrator with your question.

24	Can we get clear information on how to sign up and request classes for Summer School at Wilson. What are the dates for Summer School beginning to end? When will this year's Junior 10th grade class take SAT's? Will there be any other SAT class help beyond Khan Academy?	Please refer to the district public information below to your question. http://www.lbschools.net/Departments/Counseling/summer.cfm
25	What are we doing about summer school?	
26	What resources are being given to students to make sure that the material they missed is reinforced next year? Or what Summer Bridge classes are being offered to bridge the gap? Also, grades were not earned by students last semester which does not help (or hurt) their GPA... Is that the approach for next semester?	
27	Have you considered only letting upperclassmen in classrooms next year?	Please contact the level office with your question.
28	Can the district gift class of 2020 seniors their yearbooks?	Please contact your site administrator and district office with your inquiry.
29	How many students will be in a classroom?	Number of students varies by class. Please contact your site administrator with your question.
